These papers deal with the question of providing el. installation in the Inspection Bungalow "Anand Mahal", Bijapur. It will be seen from the certificate of the Sr. Engr., El. Div., that the requirement of a compound light is not in accordance with the scale laid down in para 406 of the P.C.D. Manual, Vol. I. It may be allowed, if approved. If so, the necessary administrative may be accorded as per draft put up for approval after u.o. & the F.D. in case the H.A. estimate are in order.

Please see G.O., K.C.D., No. 772-C, of the 15.5.46, and this Dept. Letter No. P. 85/B, of the 10.12.46. The expenditure on the work of providing El. Installation in the "Anand Mahal", Bijapur, has been shown under "50-C-10-Prod-Agriculture" and not "50-C-10-Prod-Conservation".

The classification of the present estimate will have changed accordingly. The S.E., P.C., has no grant disposal under the major head "Agr." Expenditure will have, therefore, to be authorised current year.

The P.W.D. proposes to transfer these pps.
to this Deptt. for granting administrative approval
to the work of providing electrical installation
in the inspection bungalow "Anand Mahal". Presumably
the orders issued in G.L.No.772-C, dated the 15th
May, 1946 are the basis of the P.W.D. conclusion that
the orders in respect of the present work are also
to be issued by this Deptt. The Anand Mahal buildings
have since been vacated by the L.I. Officer, South and
this Deptt. has nothing now to do with those buildings.
Proposed transfer cannot therefore be accepted.
